

MUSEUM *of* IDAHO

EXHIBITS

Learn science, art, and innovation while manipulating 14 life-size, interactive steel dinosaur sculptures via lever-and-pulley systems and remote controls.

MARCH EVENTS

FOR KIDS

Learn more & register online.

MAR 9 6-8pm Family Fossil Friday
Learn about fossils and interact with specimen in the MOI collection.

MAR 15 10am Little Learners
Explore a topic through crafts, games, songs, and snacks in this class for parents and toddlers aged 2-4.

MAR 17 1pm Meet a Scientist
2pm Discovery Day
Learn a STEM topic from scientists in our own community. Kids ages 6-12, stick around and enjoy more activities on the same topic.

MUSEUM AFTER DARK

Learn more & register online.

MAR 23 8pm History Solved!
Are you the miner, the lawyer, or the assassin? MOI's newest Museum After Dark series takes you back into Idaho history and hands you the keys. It's like a murder mystery dinner, if by "dinner" you mean hors d'oeuvres, drinks, and swag. Buy tickets online

MUSEUM CLUB

For engaged citizens 55+.
15-to-30-minute discussions
