

ROCKY MOUNTAIN ADVENTURE FOR TEACHERS

History Alive!

August 8-9, 2018

9am-5pm

1 CEU

Instructor: Chloe Doucette
Supervising Instructor: Rod Hansen

This course is a 2 day adventure where participants will experience place based learning of local history. We will provide a wealth of field activities which can be adapted to any grade level, and participants will develop hands-on history lessons that can be applied across a variety of subjects including science, technology, engineering, art, and math.

What to bring:

- * Comfortable and sturdy walking shoes as we will be exploring outside for many of our lessons
- * Lunch, snacks, water
- * Notebook, pen/pencil
- * Appropriate clothing for being outside

Where to meet:

9:00 a.m. – The Museum of Idaho is working on an expansion and our normal classroom space will be demolished. Information on where to meet will be posted to the website and sent out to participants before the camp begins.

Expectations:

- Participants must demonstrate full and focused attention and participation all four days of the camp
- Participants must create discovery trunk project related to their teaching field
- Participants must create a lesson plan to use in their own content field using any of the technology/resources presented

Credit Information:

Credits will be offered through Boise State University. A transcript can be requested here:
